OUR *Vision*

Develop reproducible disciple-makers through content, community, contextualization, and coaching. GCTI equips leaders with the premise that leadership development is essential to church health and gospel impact. The goal is to provide quality training accessible and affordable to pastors, church lay leaders, women in ministry, and bi-vocational leaders.

OUR *Mission*

Provide an online model of certificate and non-certificate programs for church leaders to attain a higher level of ministry skills, knowledge, and grow as reproducible disciple makers.

Also:

- Provide opportunities to serve as teachers/workshop leaders.
- Provide relational & practical internship and field training.
- Provide ministry opportunities at GCA churches, church plants, replants, revitalization programs, and pulpit supply.

LEADERSHIP DEVELOPMENT IS ESSENTIAL TO CHURCH HEALTH AND GOSPEL IMPACT

CURRICULUM

We use the pastors to pastors (P2P) curriculum to train potential leaders, lay leaders, pastors, and women in ministry to become reproducible disciple makers who abide in Christ. The 12-class P2P curriculum includes discipleship, missions and church planting, evangelism, hermeneutics, Old Testament survey, New Testament survey, applied church history, leadership (pastoral/lay ministry), teaching/preaching, theology of church, theology of God, and theology of Salvation.

We offer a Spanish class on Mondays from 7-8:30pm and an English class on Tuesdays from 7-8:30pm. We have different English and Spanish classes to encourage bilingual students who wish to take two classes during the same term.

COST

- \$50/course for GCA churches & GCA employees.
- \$75/course for non-GCA churches.
